**APPEAL FILED WITH THE INTERNATIONAL EXECUTIVE COUNCIL  
BY LAWRENCE F. RICHMOND, CARD NUMBER D-283875,  
A MEMBER OF LOCAL UNION 103, IBEW**

By letter dated May 14, 2012, Brother Lawrence F. Richmond is appealing the I.S.T.'s denial of pension benefits and the requirement to reimburse the PBF \$4,682.16 for pension overpayments. In addition, Richmond was ordered to pay all local union dues for the period referenced. After a thorough review of the facts presented in this case, the members of the executive council find his appeal without merit and is hereby denied.

**APPEAL FILED WITH THE INTERNATIONAL EXECUTIVE COUNCIL  
BY PERRY SPERANZA, CARD NUMBER D-624320,  
A MEMBER OF LOCAL UNION 353, IBEW**

Brother Perry Speranza is appealing the Local 353 Trial Board decision of June 10, 2010. Speranza was found guilty of violating Article XXV, Section 1(i) by disturbing the peace and harmony of a low rise meeting. Chairman Stevens would not let Speranza speak at the low rise meeting because Speranza didn't work under the agreement and would not let him appeal his decision to the body due to IVP Flemming's letter to Speranza prior to the meeting. IVP Flemming and IP Hill denied his appeal as well. After a thorough review of the facts presented in this case, the members of the executive council grant Brother Speranza's appeal and hereby reverse the decision of the Local 353 trial board decision finding him guilty of violating Article XXV, Section 1(i). Please note, however, that the IEC has not concluded that Brother Speranza had a right to speak, only

that he had a right to appeal the chairman's decision limiting debate to those who worked under the agreement. Nor did the IEC agree with Brother Speranza's contentions that the trial board was biased or that he should have been permitted to introduce a tape recording made surreptitiously during the meeting. Brother Speranza produced no evidence of bias, and the fact that he and some members of the trial board ran for office on different electoral slates did not disqualify them from serving on the trial board. Moreover, the practice of secretly recording local union meetings is unfair to the members who do not know that they are being recorded. The trial board therefore was not wrong in refusing to admit the tape recording into evidence.

**APPEAL FILED WITH THE INTERNATIONAL EXECUTIVE COUNCIL  
BY MICHAEL A. DUKER, CARD NUMBER D-600867,  
A MEMBER OF LOCAL UNION 236, IBEW**

Brother Michael A. Duker's claim for IBEW disability pension was submitted to IBEW's reviewing doctor for consideration; however, his claim was not approved. On April 16, 2012, Brother Duker is appealing the decision to the International Executive Council. In addition, Brother Duker supplied a letter from his doctor dated February 27, 2012. After a thorough review of all the facts in this case, it is the decision of the International Executive Council, to grant the appeal and approve the IBEW disability pension effective January 1, 2012.
